

## **Christmas in July at Querencia Latrobe City...and a donation for a worthy cause**

Christmas came early this year to the residents at Querencia Latrobe City, Moe. The hot and very yummy food was delivered by Santa and his little helpers the Elves to the tables at Querencia Community Centre and everyone was smiling. It was a lovely day with Bill Rowley singing and playing the guitar. The residents all had a fantastic day.

Grace Sent, Culture & Quality Manager at Querencia presented a cheque for \$1,300 to Craig Wright, Executive Officer, Gippsland Health Foundation. The donation was to the Gippsland Cancer Care Centre and represented for each \$1 raised by Querencia's residents, staff and guests for the Biggest Morning Tea. Congratulations to everyone on a great effort for a very worthy cause and particularly to John Hart and Jenny Cairns, Querencia Village Managers.

Craig Wright, Executive Officer Gippsland Health Foundation accepting cheque.
