

MEDIA RELEASE

Issued: 14 May 2008

Latrobest first postgraduate scholarships

Sally Wilson, physiotherapist and Renee Meyer dietitian are recipients of a Latrobest first postgraduate scholarship.

The scholarships were a part of the Latrobest first project, which was aimed at improving recruitment and retention of Allied Health professionals and dentists at Latrobe Regional Hospital and Latrobe Community Health Services.

Both recipients will use the scholarship to attend continuing education courses and then to educate others at Latrobe Regional Hospital and Latrobe Community Health Services of current practices in their fields.
